OUR SERVICES

PRIMARY MARKET RESEARCH

Under its Primary Market Research service, Ewan acts as a link between you and the companies and helps you get an overall idea of the market in the Orient. Our highly skilled research team helps you get the most precise list of target companies for your product to be exported into the Orient.

DATA VALIDATION

Ewan understands that handling large quantities of data and its management could be a tedious task for you. We're here with our Data validation service to help you not only manage the available data, but also validate the authenticity of the data for you. We ensure high-end validation done by the natives, by directly calling the companies and getting the lists verified.

OUR SERVICES

INTERVIEWS

Ewan offers an 'Interview' service, under which it acts as a liaison. Forming the connection between you and your customer and/or vendor in the Orient is done by us with the help of unique amalgamation of services by both, research and language professionals. We assist people in contacting international businesses through interviews.

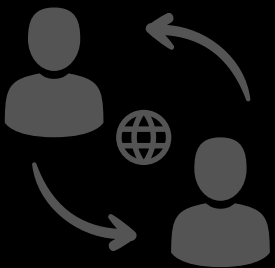

SURVEYS

Ewan adheres to its tagline 'where language is a bridge, not a barrier' by facilitating businesses conduct market surveys, feedback surveys, product distribution surveys, sourcing surveys, etc. in regions where the companies are bound by a foreign language barrier.

OUR SERVICES

EXHIBITION & EXPO

Large events including people, delegates coming from various countries have been the best places to pitch in your business at. Be it helping you during exhibitions and expos by live interpretation, or be it assisting you increase the reach of your expo in the Orient, Ewan does it all.

IN-BOUND & OUT-BOUND CALLING

Whether it is reaching to companies and/or individuals from Oriental countries or to attract them to your products through marketing campaigns, or providing you a full-fledge language driven customer care support, Ewan has it all under its umbrella of in-bound and out-bound calling service.
