ABOUT US

Ewan Group is a group of professionals and enthusiasts experts who assist customers in bridging the language barrier with high-end lingual support services in oriental countries such as China, Japan, and Taiwan. Ewan not only assists in the localization process, but also provides assistance in research, development and the establishment of connections and trades in the Orient.

OR-LOC

Ewan understands that talking to multiple vendors, taking simultaneous updates from multiple people can be a tedious and a time-consuming task.

We at Ewan offer all the services you need 'UNDER ONE ROOF'. A one-stop solution for all your needs.

This package deal will not only help you go easy on the pocket, but also save your precious time and man-power.

Ewan brings to you, 'OR-LOC', a product that can ease company problems like no other. OR-LOC offers you an end-to-end localization package that will help you localize your content; no matter what your product domain is.

- VIDEO CONTENT LOCALIZATION
- IN-BOUND & OUT-BOUND CALLING

OUR SERVICES

TRANSLATION

Literal translation, literature translation, medical translation, document translation.

INTERPRETATION (ON-CALL & IN-PERSON)

Ewan is a language bridge between the Orient and the rest of the world and excel in simultaneous and consecutive communication online and offline.

PROOF-READING & EDITING

Double checking the work can always assure the high-end quality of the job done. Ewan's proof-reading and editing service keeps the language proficiency and flair of the content in accordance with the targeted market and makes sure that it meets the market expectations.

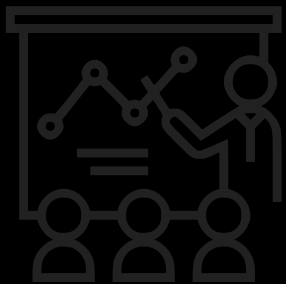

OUR SERVICES

CREATIVE CONTENT WRITING

Get your marketing-specific content written directly in the native language rather than compromising on the essence by using a translated version of the ready content. Ewan studies your product and gives you a content to market your product and establish a place in the Orient market.

CORPORATE TRAINING

Ewan understands the exact requirements of your business and takes you through a language training specifically to help you adapt to the Orient counterparts of your business. Apart from focusing on the cultural know-hows of the language, we also help you with the day-to-day conversations and domain-specific vocabulary for seamless and professional written and verbal communication.

OUR SERVICES

VIDEO CONTENT LOCALIZATION

Ewan provides an end-to-end service to facilitate you localize your audio-visual content into Oriental languages including a diaspora of services carried out by Oriental natives; that consists of translation, dubbing, subtitling, and voice-over.

IN-BOUND & OUT-BOUND CALLING

Whether it is reaching out to companies and individuals from the Oriental countries to attract them to your events including exhibitions, product expos, or providing you a language driven customer care support, Ewan has it all under its umbrella of in-bound and out-bound calling service.

OR-LOC

OR-LOC serves the diaspora of ten Oriental languages,

- *Chinese*
- *Japanese*
- *Taiwanese*
- *Cantonese*
- *Korean*
- *Vietnamese*
- *Bahasa (Malay)*
- *Bahasa (Indonesian)*
- *Filipino*
- *Tagalog*

Ewan is a cost efficient one stop solution for all your language problems. We prioritize customer satisfaction the most as we build bridges and eliminate barriers.
